We need your art

Is this you?

@reallygreatsite

You have a head full of ideas, notebooks with plans, years of learning and courses completed.

You might have even started or run a business before...

But you're still not making money from your creative energy.

I'll be your Personal Cheerleader, guiding you to put your personality all over a tried and tested structure.

Together, I'll hold your hand as you develop and launch your business.

So you can Share Your Shine.

I'll be there to celebrate the wins with you, help you learn tools and habits that will serve you along the way, and give you accountability and a community.

The Goal

Your Vision

You have a vision in your head of the life you want to live and the help you want to offer others.

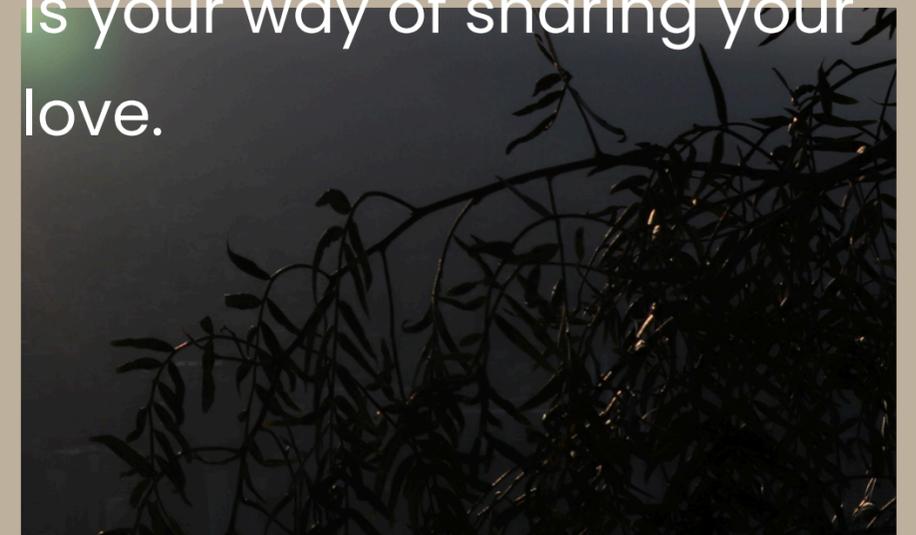

Let's create that!

Your Mission

Creatives are often empathic, feeling the struggles and pains of the world.

Sharing Your Shine and art is your way of sharing your love.

The Plan

Over 3 months, we'll work through the basics you need to get started without procrastination or overwhelm

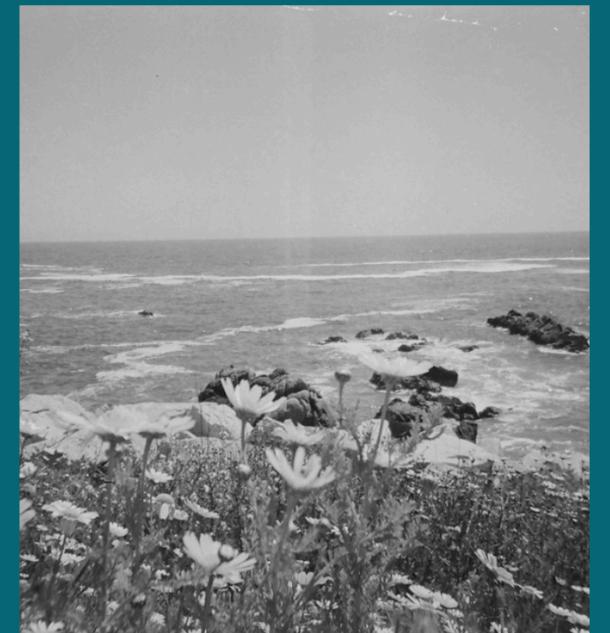

**Vision +
Habits**

**Pricing +
Products**

**Customers +
Sales**

Your Investment

Let's be clear.

This is an investment in you

It will require 2 things

- ***2 - 5 hours a week, for 13 weeks, depending on how you approach the work***
- ***£200 a month***

Each week will consist of

- 2 coaching calls where I teach the content, and you can follow along.
- A chance to ask me questions and get feedback, and clarity.
- Work sheets and how-tos for each week's work.
